## Sol Star Lord Rotation Plan

To: All - Sector 1 | Sol - Corporations

Prepared By: The Atlas Guild

Prepared on Turn Date: 207915

On turn date 207211, the current Star Lord of Sol, Lord **Kerbal Tech**: ruler of Sol & leader of the Atlas guild, has announced in public comms of a **new diplomatic structure** for the system of Sol to be set in place. The Atlas guild proposes the Sol Star Lord seat be freely rotated among the eligible celestial emperors of Sol. This is to be put in place effective immediately.

### The Rules of Rotation

Rule	Rule Description
1	Each Star Lord is entitled to a <b>[one-month/four-week]</b> rule over Sol, coined as a <b>[Term]</b> .
2	A Star Lord cannot rule for more than two <b>consecutive [Terms]</b> in a row. <i>Exception, see rule 4.</i>
3	At the <b>[start of each month]</b> , a new candidate will be elected from the available <b>[Celestial Emperors]</b> .
4	<b>[Celestial Emperors]</b> of Sol may pass their turn for Star Lord if they choose to.
5	<b>[Celestial Emperors]</b> must have rule of their <b>[Celestial Body]</b> for at least one-month to be <b>eligible</b> .
